Forward Edge Team

Team #2491 | July 5-13, 2024

The Program

The foundation of our program, Mama Beth's Children's Program, can be traced back to a ministry that originated several decades ago under the leadership of an extraordinary Kenyan woman known as "Mama Beth." With unwavering dedication, Mama Beth began feeding and caring for children in her community from her home.

Forward Edge partners with Mama Beth's daughter, Jane Wathagana, who now serves as the Program Director, carrying forward her mother's legacy. Together, we strive to address the needs of at-risk children by offering them a comprehensive range of services including a daily nutritious meal, access to safe drinking water, medical evaluations, school tuition, and emotional support. Most importantly, we're showing a growing number of children how loved they are by God, teaching them to follow Christ, and helping them realize their full, God-given potential.
